HERO Program

If you want to bypass the lottery registration, the HERO Program has a limited number of registrations, and gives the option to make a direct contribution to Memorial Park Conservancy. There are 9 full and 8 half marathon registrations available on a first come, first serve basis, when the lottery opens on July 27th at 6:00a.m. Each spot is a minimum \$350 donation directly to Memorial Park Conservancy, in addition to the registration fee. Visit the Chevron Houston Marathon website for more information.

Fundraising for Registration Program

Memorial Park Conservancy has 3 full marathon and 3 half marathon registrations available. Commit to raising \$1,000 in addition to the registration fee, by November 1st, 2010, and Memorial Park Conservancy will register you once the fundraising goal is met. A Commitment Form and Registration Form and Waiver will be sent, and once the fundraising goal is met, The Conservancy will register you as a runner. For more information, email carol@memorialparkconservancy.org.

General Donations

Already secured your spot? Not a problem! If you run regularly in Memorial Park, consider making a contribution to Memorial Park Conservancy through the Donate Now button. You can make a one-time donation or choose to actively fundraise for the Conservancy. All contributions made through the website are secure, and all donors will receive acknowledgment from the Conservancy, and donations are tax deductible as allowed by law.

Sidewalk Squad Sponsorship

This program offers local businesses an opportunity for high visibility in Houston's largest single-day sporting event. The Sidewalk Squad is part of the Run for a Reason charity program, that gives businesses exposure, involvement and recognition in the Chevron Houston Marathon. Sponsorships are tax deductible, and offer many great benefits including a donation to Memorial Park Conservancy, event day recognition, including website, program and newsletter, VIP breakfast invitations, luncheon invitations and race registrations. To become a Sidewalk Squad Sponsor, contact Carol Watson at carol@memorialparkconservancy.org or 713-863-8403.
